Application Form for the 2014 University/Polytechnic Assistance Program Grants-In-Aid

1) Personal Information

Surname:			Affix Passport Photograph Here
First Name:		Middle Name:	
Contact Address:			
Residential Address (No. P. O. Box):			
E-Mail:	Nationality:	State of Origin:	L. G. A.
Mobile No.:			

2) Academic Record/ Research Project Summary

Institution	Department/ Discipline:	Degree In-View	CGPA: _____ / _____	Anticipated Graduation Date:
Academic Awards and Honours (name of award, Institution making award, year):				

(You can attach additional sheet if the spaces provided are not adequate on item (2))

3) Research Project Proposal

Title & Aim of proposed investigation or thesis:
Disciplinary Emphasis (Underline 1 or 2 related geosciences skill area most closely relate to your project): Stratigraphy, Petroleum Geology, Regional Tectonics, Geochemistry, Petrophysics, Sedimentology, Paleontology, Structural Geology, Geophysics, Development Geology, Environmental Geology, Petrology, Seismic Interpretation, others
Source of Research Project (Student's idea/ Part of professor's ongoing research/ Outgrowth of class work/ Professional work/ critical review of literature, etc.):
Nominated Grants – List any of the nominated grants[grant donor(s)] for which your project is most suited:
Percent of Project Completed (between 0 – 100%):
Summary of Investigation (approximately 300 words; no figures or photos) – Must be printed or typed or pasted to fit within this space. This should include the objective, regional context, methods and scientific importance of your proposal:
Suitability of Proposal to Grants-In-Aid Program – Describe how your research will contribute to the better understanding of petroleum geology, energy/minerals, geology, and/or related environmental issues. <u>The suitability is critical to your thesis topic evaluation.</u>

4) Previous NAPE-UAP Grants-In-Aid Recipients

Candidates for Masters or equivalent degrees may receive a maximum of one grant; B.Sc./HND and PhD candidates may receive a maximum of two grants. If you have previously received a NAPE-UAP grant, you must provide the title, year of the grant and award amount

<u>Title</u>	<u>Year</u>	<u>Award Amount</u>
<ul style="list-style-type: none"> • If the research is completed, please cite the published reference • If work is in progress, please provide a one page summary report and a brief financial statement as a separate sheet 		

5) Endorsement/Assessment by Thesis/Project Supervisor

Your Supervisor's assessment of you and your project are critical to the successful completion of your application. We encourage your Supervisor to attach a letter with department stamp in support of your ability to accomplish your thesis goals.

- Is applicant currently registered with the institution?
- Applicant's capability of fulfilling the objectives of the stated research; how does this student rank with the other students?
- Any other factors that we should consider (such as student's financial situation)?
- Other comments:

I have read the application and agree with the statement.

The Institution will not, as a result of the award of any such grant, cause any decrease in any funds or other benefits which the applicant would otherwise have received, or of which the applicant would otherwise have had the use.

Supervisor's Signature: ----- Mobile No. -----

Supervisor's Name (Bold pls.) -----

E-mail -----

6) Department Head's Endorsement

(Without departmental endorsement, this application is invalid)

Dept. Head (or alternate) Signature:	Dept. Stamp
--------------------------------------	-------------

University/Polytechnic Mailing Address:

Date ----- **Mobile No.** -----

Dept. Head (or alternate) Name (Bold please)-----

E-mail:-----
